Thank you, Adam.

Please find the updated media statement attached. Sara — please review the revisions included:

- *Unified Command (UC) is pleased to report that the fire status at the TPC event has changed to “contained” at this time.*

Payton, please include me in the request for review.

At the end of the statement, it states the “event has been contained.”

This was not the request nor the approval. I’d suggest that it be revised to indicate what was requested and approved... that the fire status has changed to “contained.”

Thanks Payton.

Adam
